NRO REVIEW COMPLETED

TOP SECRET

25X1D

[Redacted]

19 August 1966

25X1A

[Redacted]

25X1A

I have been informed that [Redacted] NRO attended the COMOR meeting on August 18. He passed out a paper describing the NRO view on launch schedules.

NRO

25X1D

Apparently, the NRO proposal calls [Redacted] However, it suggests that under certain conditions the launches of these systems could be reduced to [Redacted] missions.

25X1

25X1A

Reportedly, [Redacted] stated he is going to review the schedule you proposed and the [Redacted] requirements. Afterwards, he will submit an NRO master schedule for use by COMOR.

25X1A

I have asked [Redacted] to let us have a copy of Stewart's paper for your information.
